

Rollcage Additions

Tube Notcher
£175 + vat

Delivery
£15 + vat

**Add to your existing cage or build your own.
Consult the RAC Blue Book or FISA Gold Book before you start.
Please note all prices quoted below are Ex-VAT**

Our Tube Notcher makes light work of making weldable joints for self- installation of roll cages, and any type of tube work, including wishbones.

- Will notch from zero to 60° angles
- Uses a starret type hole saw from 1/2" to 2" in diameter
- Automatic centreing of tube
- Use an electric hand drill to power.
